

A glimpse of the tracks and themes of this year's conference.

This year's agenda is divided into four concurrent tracks: **Theme Theater** - covering key trends on business transformation. **Insight Theatre** - covering practical insights and best practices. **Lab Theatre** - covering exploratory topics that bridge the gap between theory and practice. **Unconference** - an innovative space in the middle of Expo area which breaks away from the traditional way of discussions, speakers & spectators will share the same stage and discuss perspectives and ideas
