TECHHR INDIA 2023 HIGHLIGHTS

INNOVATIVE FORMATS

People Matters TechHR brings you sessions, workshops and out-of-the-box hemed activities to widen your perspectives using 'The Art of the Possible' no matter the challenges ahead.

SYSTEMIC CONSTELLATION

Learn the Constellations methodology to recognize reality as it is – beyond the limits set by our habits and mental frameworks – and take the steps necessary to achieve your desired goals.

BOX BREAKTHROUGH CHALLENGE

With Jimbo Clark, Author & Creator Of Thebox® The activity encourages participants to think in, out, and beyond the limitations of your conventional patterns of thinking.

LEGO SERIOUS PLAY

At the TechHR LEGO SERIOUS PLAY workshop, you'll enjoy an unconventional way to Become the Answer in your own team, with a little help from LEGO® bricks.

PEOPLE MATTERS
THINK TANK

In a candid discussion, CHROs & Business Leaders of most progressive companies take the biggest dilemmas head-on and uncover ideas, perspectives, and experiments to overcome these challenges and turn them into differentiating aspects of their people strategy.

PEOPLE MATTERS
TALENT SNACK

In a 10 minutes case study presentation showcase how you solved an urgent talent problem with technology. Explain the problem you solved, share the crucial steps taken, and show the impact created. This insightful case study presentation will be followed by a 5 minutes question and answer session.
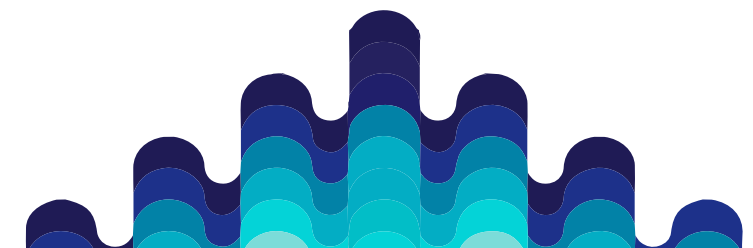

PEOPLE MATTERS
COMMUNITY STAGE

Everyone loves a great story that inspires, creates impact and resonates with great energy. Be part of the Community Stage 2023 at the #TechHRUnconference

PEOPLE MATTERS
WOMEN IN BUSINESS

Women in HR Tech is a unique offering at TechHR that brings together women leaders, who aim to not just survive but thrive in the new world of work. These leading ladies are unafraid to bring to light untold challenges pertaining to women at work for an intense brainstorming session.

WHAT'S MORE EXCITING AT TECHHR PULSE MUMBAI 2024

INDIA'S MOST ADVANCED HR & WORK TECH EXPO

Experience innovative tech solutions and services redefining the way we work, hire, learn, onboard, collaborate and engage, explore opportunities to streamline your talent practices and build new partnerships.
